Hent teamviewer her: <https://www.teamviewer.com/en/download/windows/>

The screenshot shows the TeamViewer website's download page for Windows. At the top, there is a navigation bar with the TeamViewer logo and links for Products, Solutions, Resources, Integrations, Partner, and Company. There are also buttons for 'Download' and 'Buy now'. Below the navigation bar is a horizontal menu with icons for various operating systems: Windows, Mac, Linux, Chrome OS, Raspberry Pi, Android, iOS, and Windows App. The main content area features the heading 'TeamViewer for Windows' followed by a list of four bullet points: 'Establish incoming and outgoing connections between devices', 'Real-time remote access and support', 'Collaborate online, participate in meetings, and chat with others', and 'Start using TeamViewer for free immediately after downloading'. Below the list are two buttons: 'Download TeamViewer' (green) and 'Compare Licenses' (blue). A 'Privacy Policy' link is located at the bottom left. On the right side, there is an image of a laptop displaying a remote desktop session of a Windows desktop.
